27 Ensigns Mizner, of Pittsburgh, chief bugler in Sherman's Battery, who was wounded at Bull Run, states that during the fight, he saw an officer of the New York Seventy-first Regiment pull out a tactics book to read the order requisite to bring his corps into the position he wanted.

The following are the commissioned field officers of the Fifteenth Regiment under its new organization:—Lieut. Col. DICKERT is Colonel; Capt. W. T. Wilson, Lieutenant-Colonel; and Capt. W. H. Wallace is Major.

We direct attention to the advertisement of a "Lost Gov," in another column. Any person leaving information at this office, that may lead to her recovery by the owner, will be liberally rewarded.

The companies belonging to the Nineteenth Regiment, Col. Baillie, will be mustered out of service at the following places: One company at Canton; two at Salem; two at Warren; two at Akron; and three at Ashtabula.

13 A company from Milford Center, Union county, arrived at Camp Chase yesterday.

17 BERNARD BERGIN, a well-known citizen, died on Thursday night last at his residence on West Broad street.

17 JOSEPH A. HEMAN, publisher of the Cincinnati Voicefriend, was thrown from his horse while at Camp Chase on Thursday morning. His wrist was dislocated.

17 The sentence of JOSEPH TAFT, who was to have been hung at Marysville yesterday, has been commuted to imprisonment for life in the Penitentiary.

17 JAMES HILL, of Cleveland, late Chief Engineer of the Fire Department, has been appointed Quarter-master of the First Regiment.

17 The Cleveland Leader states that the organization of the Forty-first Regiment is nearly complete, and that it will soon go into camp in that city. John J. Whelan and Geo. S. Maynard, both of Cleveland, have been commissioned—the former as Lieutenant-Colonel, and the latter Major of the Forty-first.

17 Slowly and, as it were, reluctantly, the rain clouds last evening overhung our city. At length the rain began to patter down gradually it came, but steadily, cooling the heated air, re-erecting the drooping plants, and refreshing man and beast. We touch the culminating point in the "heated term" for the season is past; but, whether it is or not, we thank God for last night's beautiful rain.

A Man's Eye View.—Could we be saved for an instant to some lofty pinnacle where a glance we could behold all the suffering of earth, how should we wonder at the measure of victimism claimed by disease, and how would our hearts bleed to see them writhing in agony from the pains of Scrofula and Tuberculosis, Cancer and Salt-Rheum, Sore and Ulcers, Rheumatism, Neuralgia, or other causes. But this seems no less true because caused by us, and no one will deny its existence.

The benefits of such a medical discovery, known to be certain and speedy remedy in all cases where it is recommended by its proprietor.
